despair*

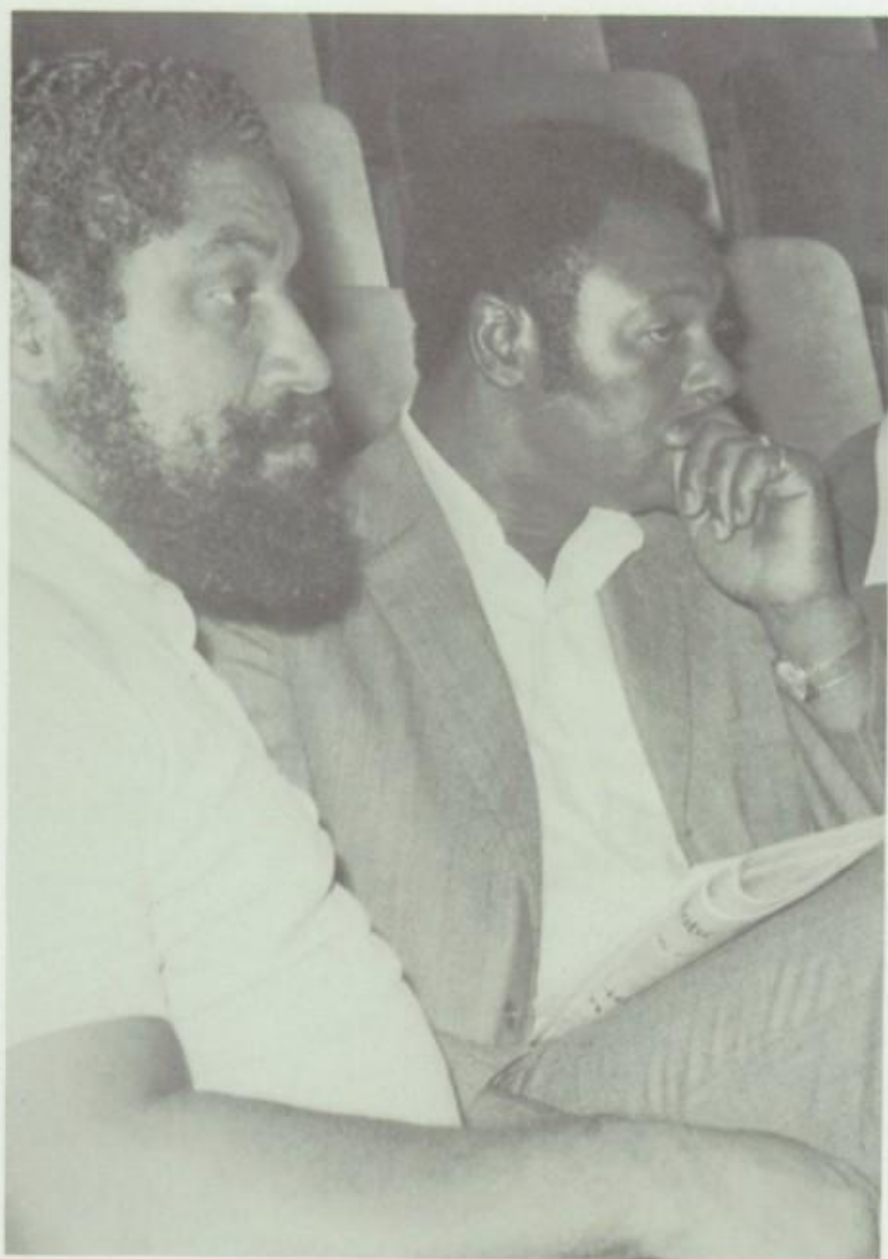

*it was the
season of
light*

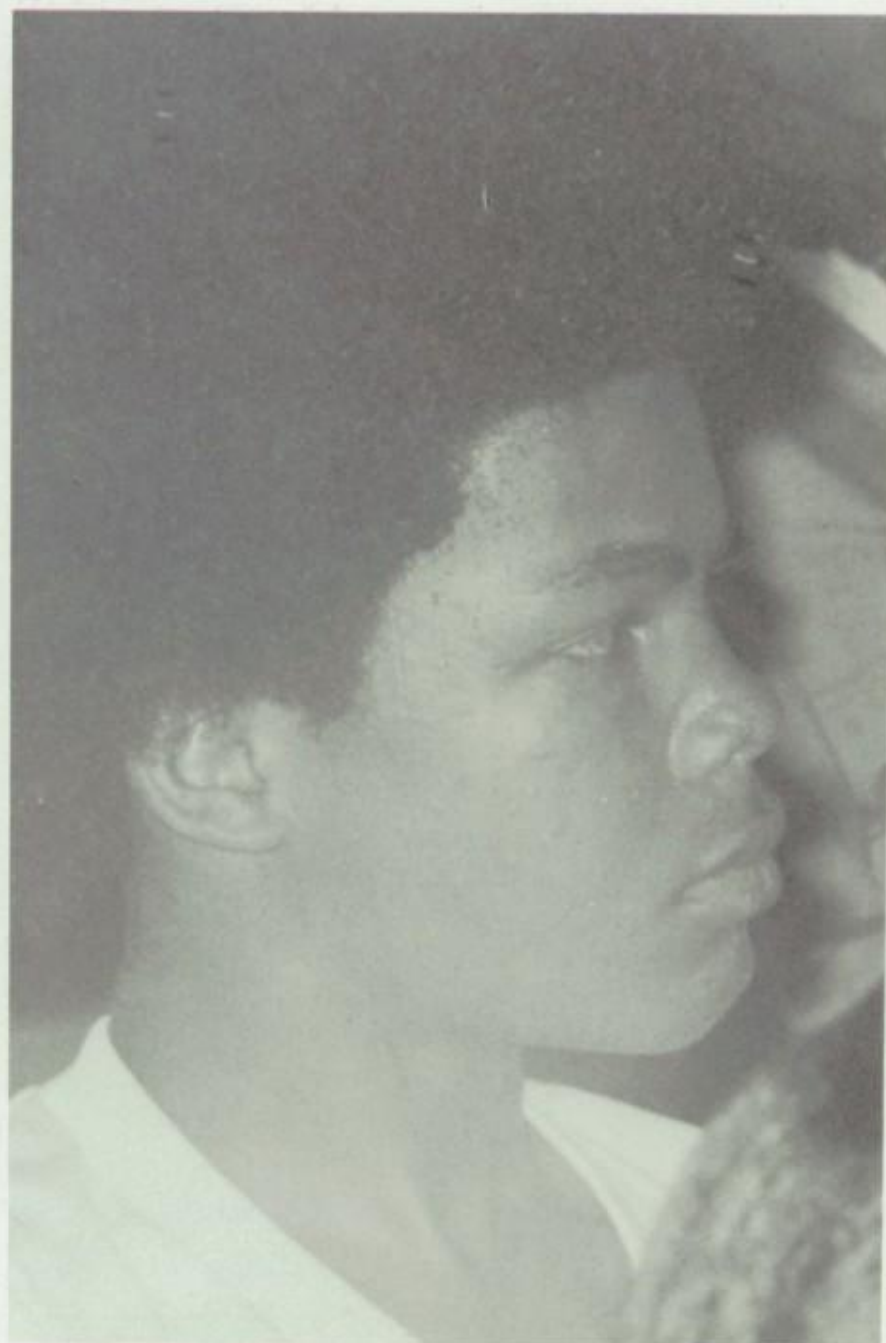

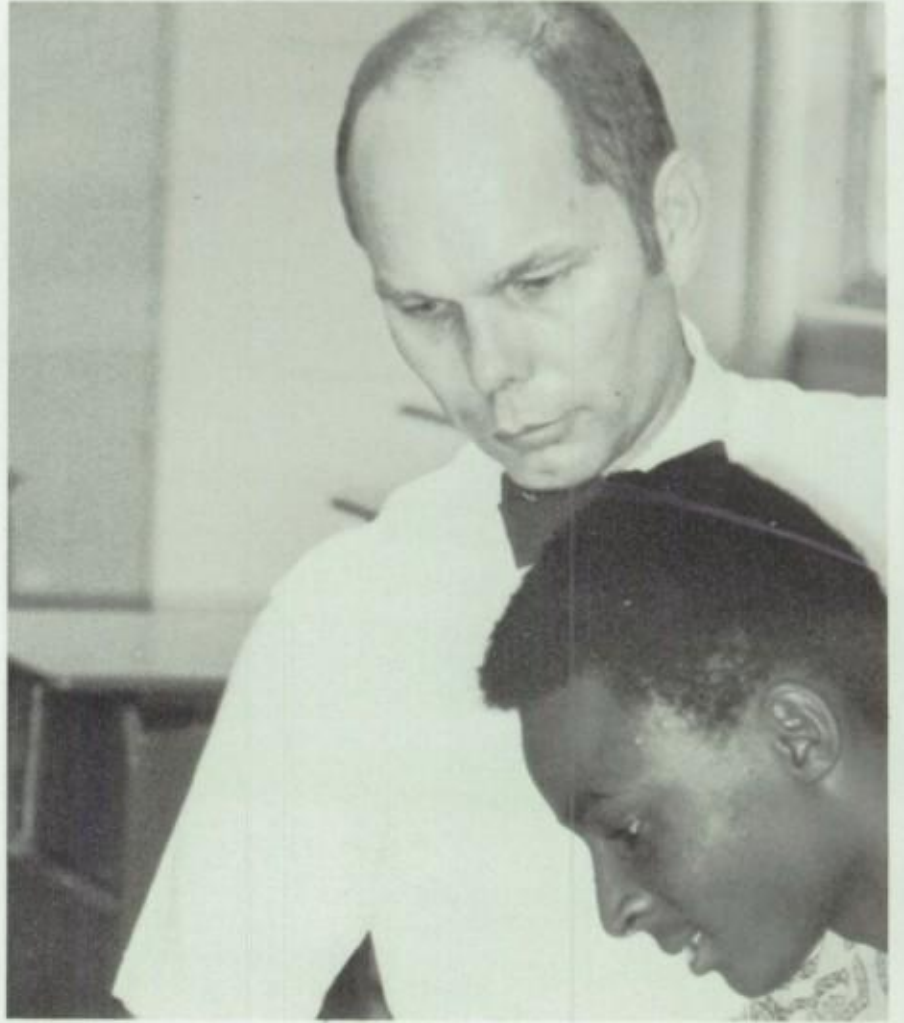

*it was the
season of
darkness*

*we had
everything
before us*

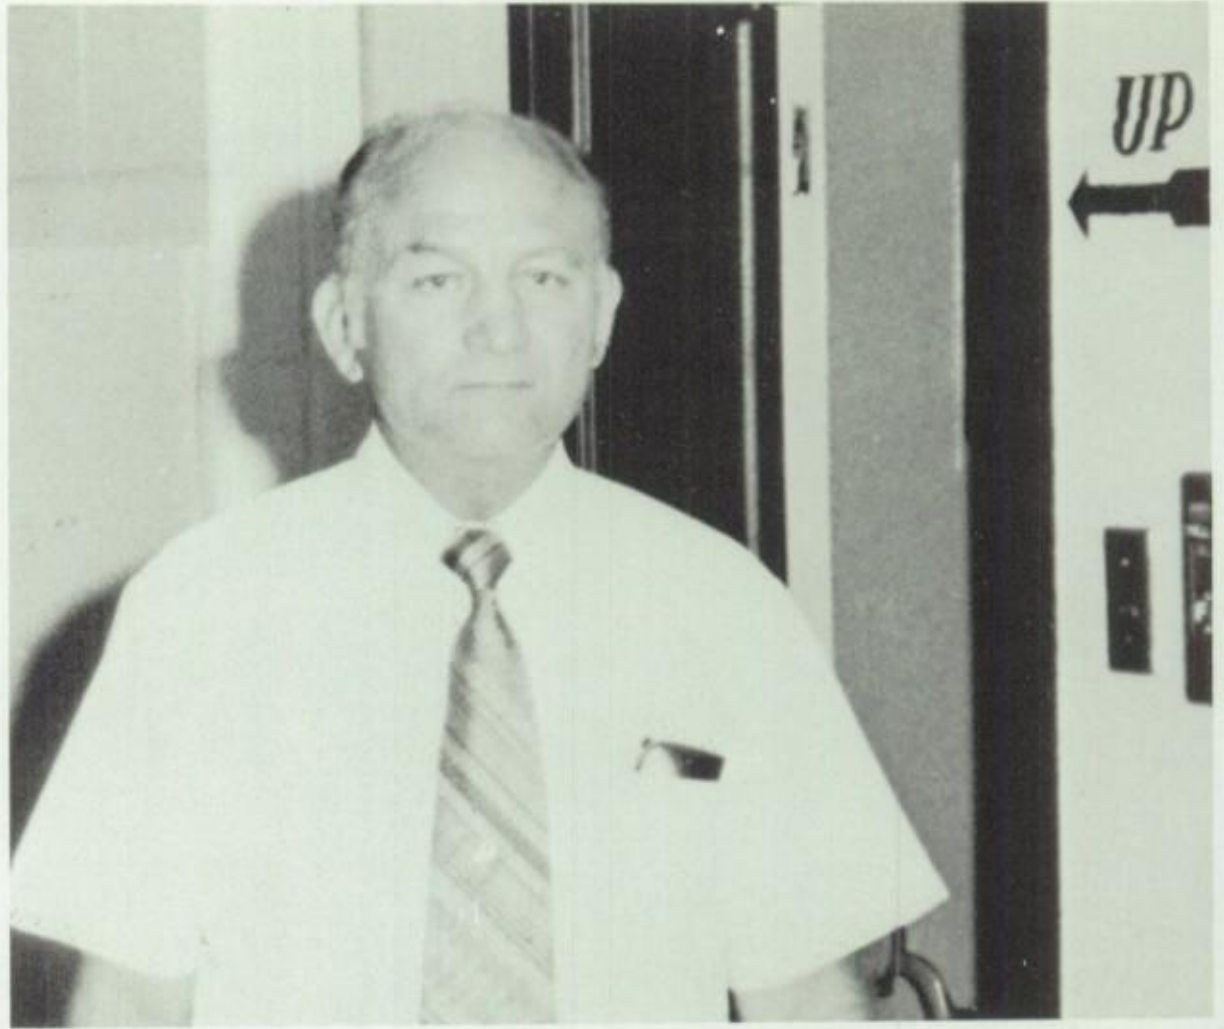

A high-contrast, black and white portrait of a man with dark, wavy hair, wearing a light-colored shirt and a dark tie. He is looking down and slightly to the right, with his hand near his face. The image has a grainy, artistic quality.

mr. clair houston
principal,
northwest
high school
1972-73

2. Mr. William Leslie
3. Mrs. Francis Turner
4. Mrs. June Boone
5. Mr. Curtis Ivy

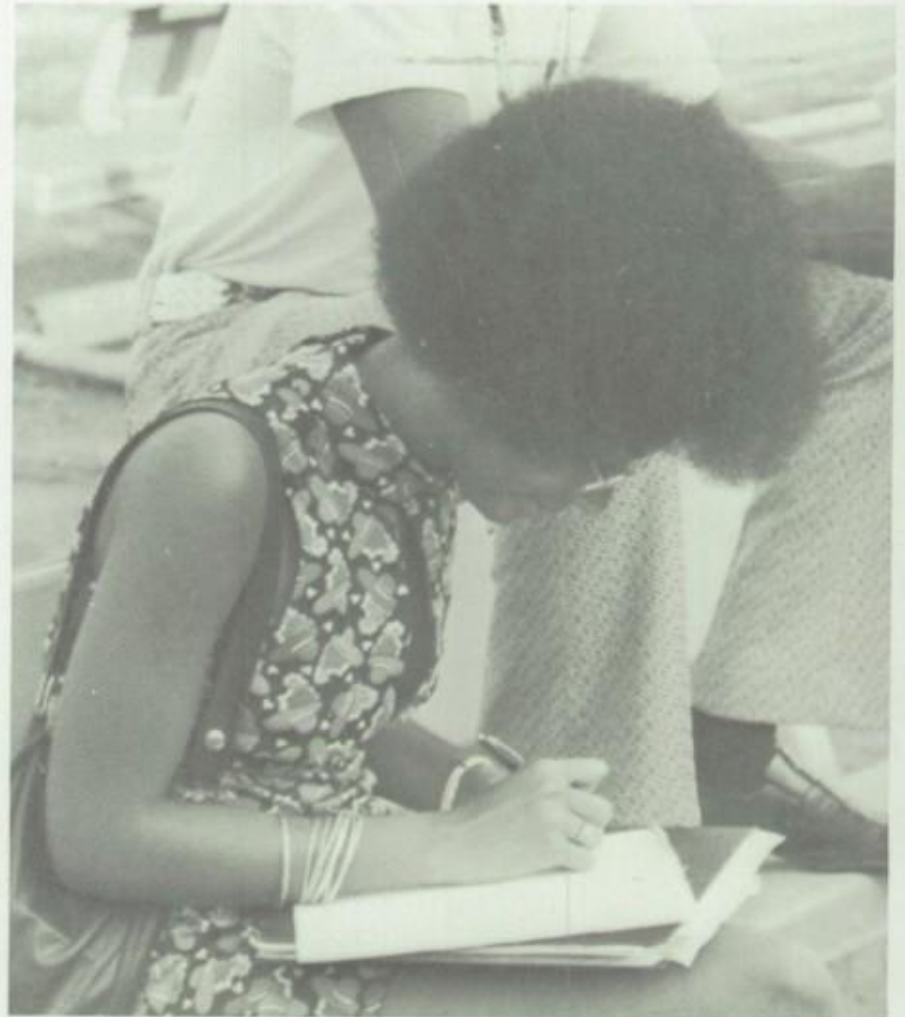

OUR CAFETERIA WORKERS

FIRST ROW: Vera Paul, Blanche Vita, Mary Brandtner, Opal Holmes, Willie Braden, Tessie Crowell, Bernice Richardson, Arnetta Lane, Mrs. Rothweiler. SECOND ROW: Edith Kenkel, Florence Watts, Lydia Whitfield, Florida Hardge, Willa Bridges, Betty Wilkerson, Elnora Wynn, Pauline Bost, Ann Prange, Mamie Manno, Ernestine Harris, Frances Young.

2. Mrs. Rothweiler
3. Workers preparing lunch

A black and white photograph of a woman and a young girl lying on a patterned blanket outdoors. The woman is sitting up, smiling, and wearing a light-colored jacket. The girl is lying down, wearing a striped headband and a light-colored shirt, looking towards the camera. They are surrounded by trees and foliage.

These lovable little tots re-enact their freshman year at Senior Parent Night.

mathematics

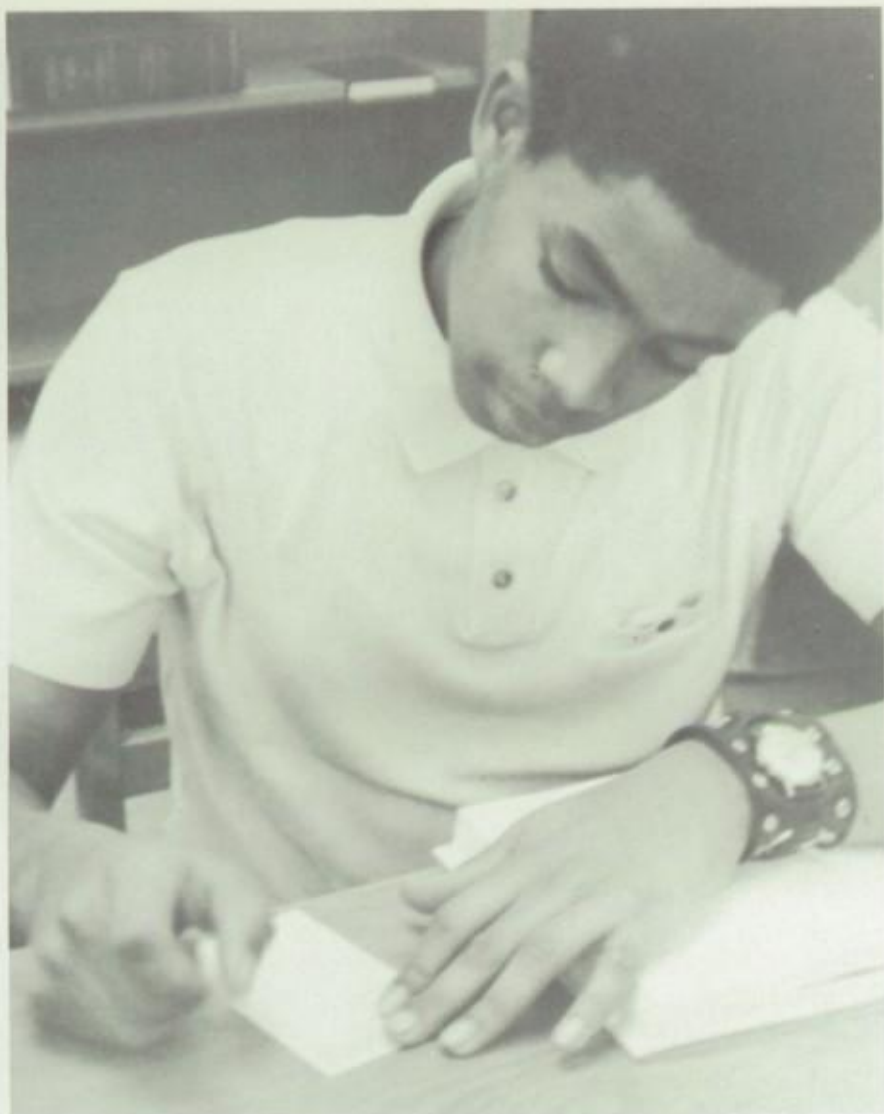

Mathematics at Northwest consists of Basic Math, Pre Algebra, Algebra, Geometry, Business Math, Intermediate Algebra and Trigonometry, Analytical Geometry, and Calculus. Mathematics is one of the most useful and fascinating divisions of human knowledge. It helps us in many important areas of study. The best way to define mathematics is; the study of quantities and relations through the use of numbers and symbols.

science

The Science classes at Northwest teach, if nothing else, to examine things thoroughly and to question things that aren't understood. The science department offers a good background for students who are planning to attend college. Classes are taught in General Science, Biology, Chemistry, Physics, and a new class called Seniors Honor Science.

english

The English Department at Northwest is a very effective one. Last year an innovative idea was introduced to the students in the form of English mini-courses. They were classes of special interest to the students which lasted for a month. They ranged from classes in creative writing to studying song lyrics to the study of ghosts. English is a required subject for 9th, 10th, and 11th graders but Seniors are given some choice as to what English course they'll take. They choose from English 12, Advanced Comp. and Lit., and Public Speaking.

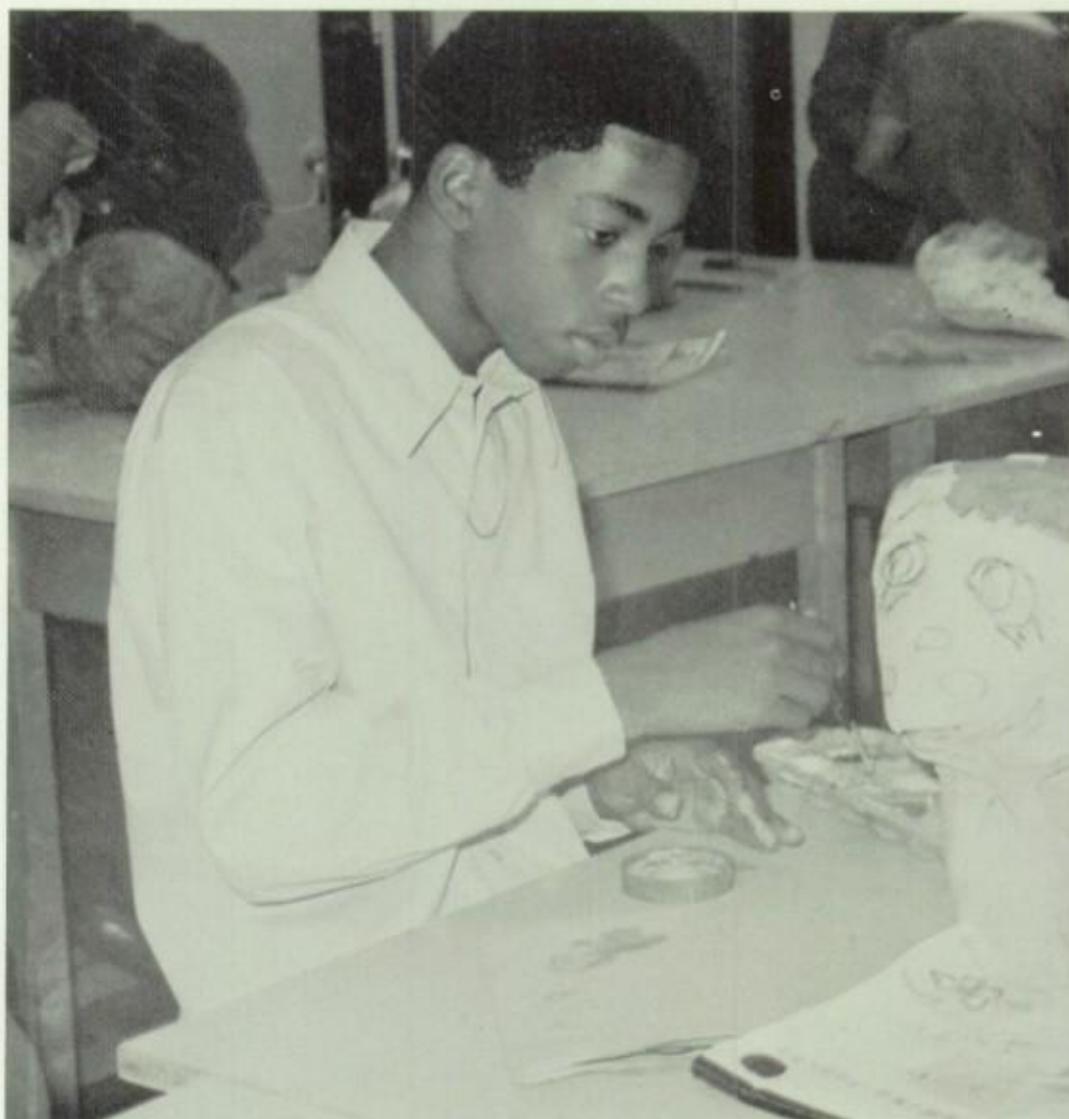

social studies

The Social Studies Department teaches American History, World History, Economics, Black Studies, Health, Pshchology, Sociology, and Western Civilization. We must learn from the past so that we don't make the same mistakes twice.

art

Northwest's Art Department offers the student a bit more freedom from the rigidity of other classrooms. The art classes allow the students to be creative and gives them a chance to learn something about themselves through their creations. Classes in Art I and II are offered as well as Art Appreciation.

music

The Music Department has accomplished great things in recent years. The band has preformed in many parades and programs. The Concert Choir has added much beauty to several programs both here and away from school. A person wishing to play an instrument can start with Beginning Band, Junior Band and finally Senior Band. A student who wants to learn the finer points of singing starts with Girls Glee, Mixed Chorus and if they prove worthy are allowed to join Concert Choir.

home economics

In the Home Ec. classes students learn how to cook, how to sew, or how to raise a family. This department helps a student prepare for the everyday life they will have after High School. There are classes in Sewing, Cooking, Family Living, and in Child Development.

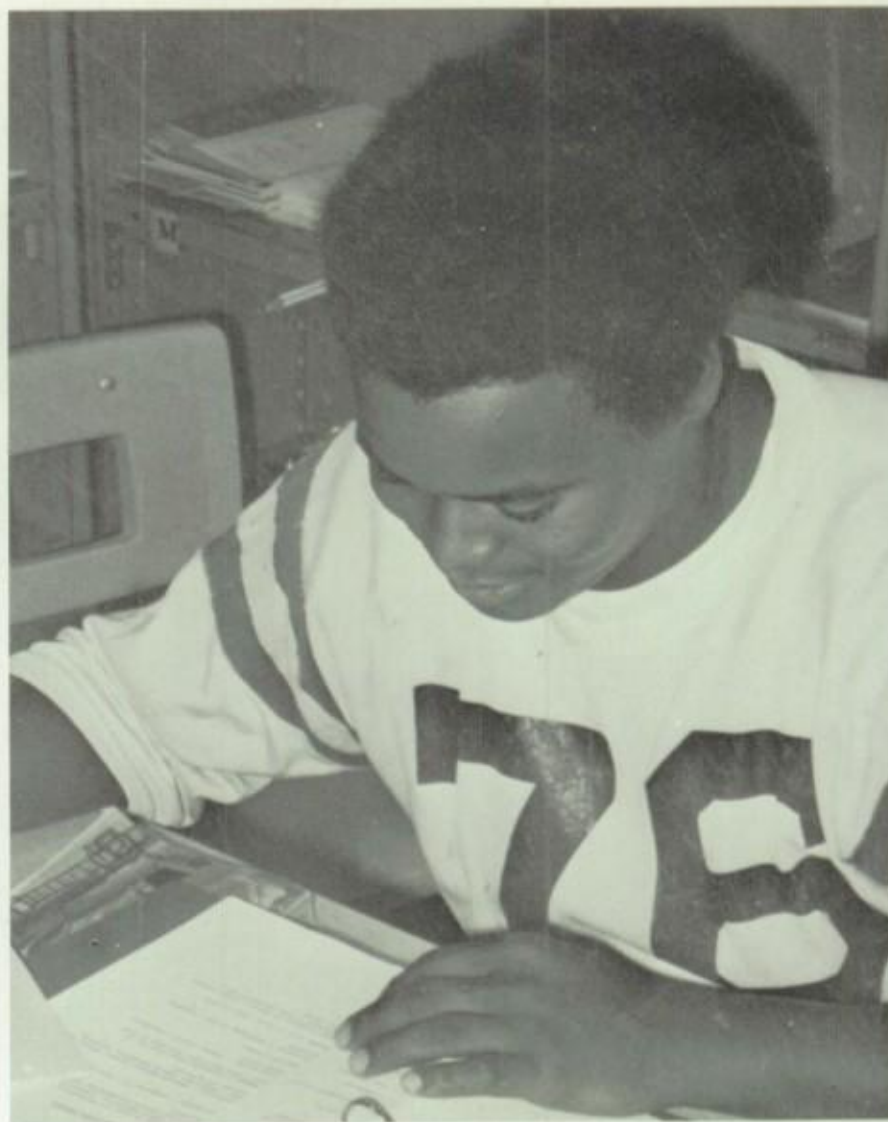

industrial arts

The Industrial Arts Department offers students the opportunity to begin to learn a trade. The department offers Basic Industrial Arts, Mechanical Drawing, Wood Technology I, Engineering Drawing I, Metal Work, Electricity and Architectural Drawing I and II.

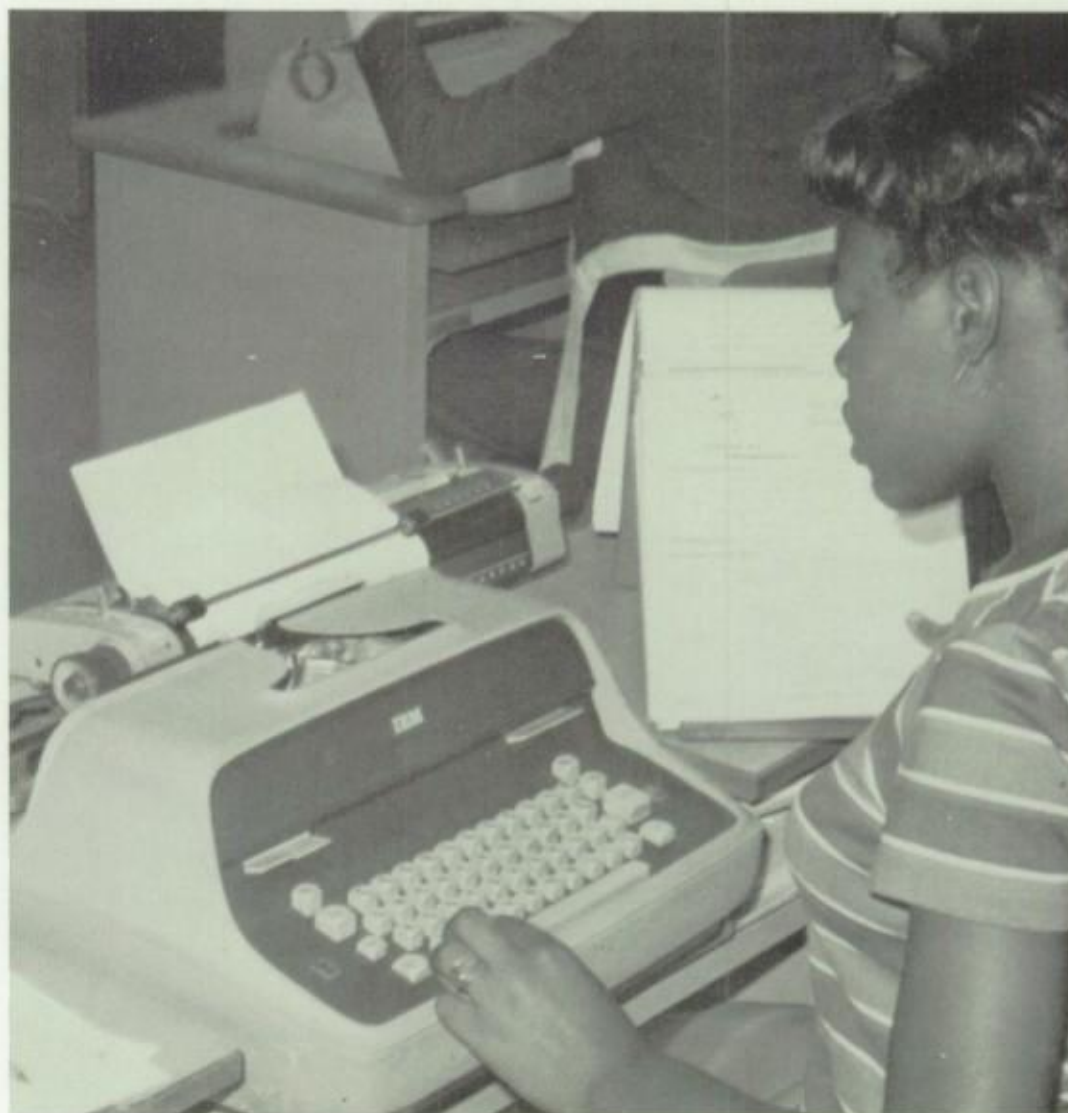

foreign language

Our Foreign Language Department offers students the choice between French and Spanish. Although the selection is rather limited the classes are very interesting. There are many teaching devices available including tapes, films and all sorts of printed material.

business education

The Northwest Business Education Department offers many students the opportunity to gain many of the skills needed for employment. The Distributive Education Department gives students the opportunity to gain actual working experience as well as giving them the chance to earn money. Typing I and II, shorthand I and II, office machines, secretarial practice, bookkeeping, Deca and Office Co-op are all taught at Northwest.

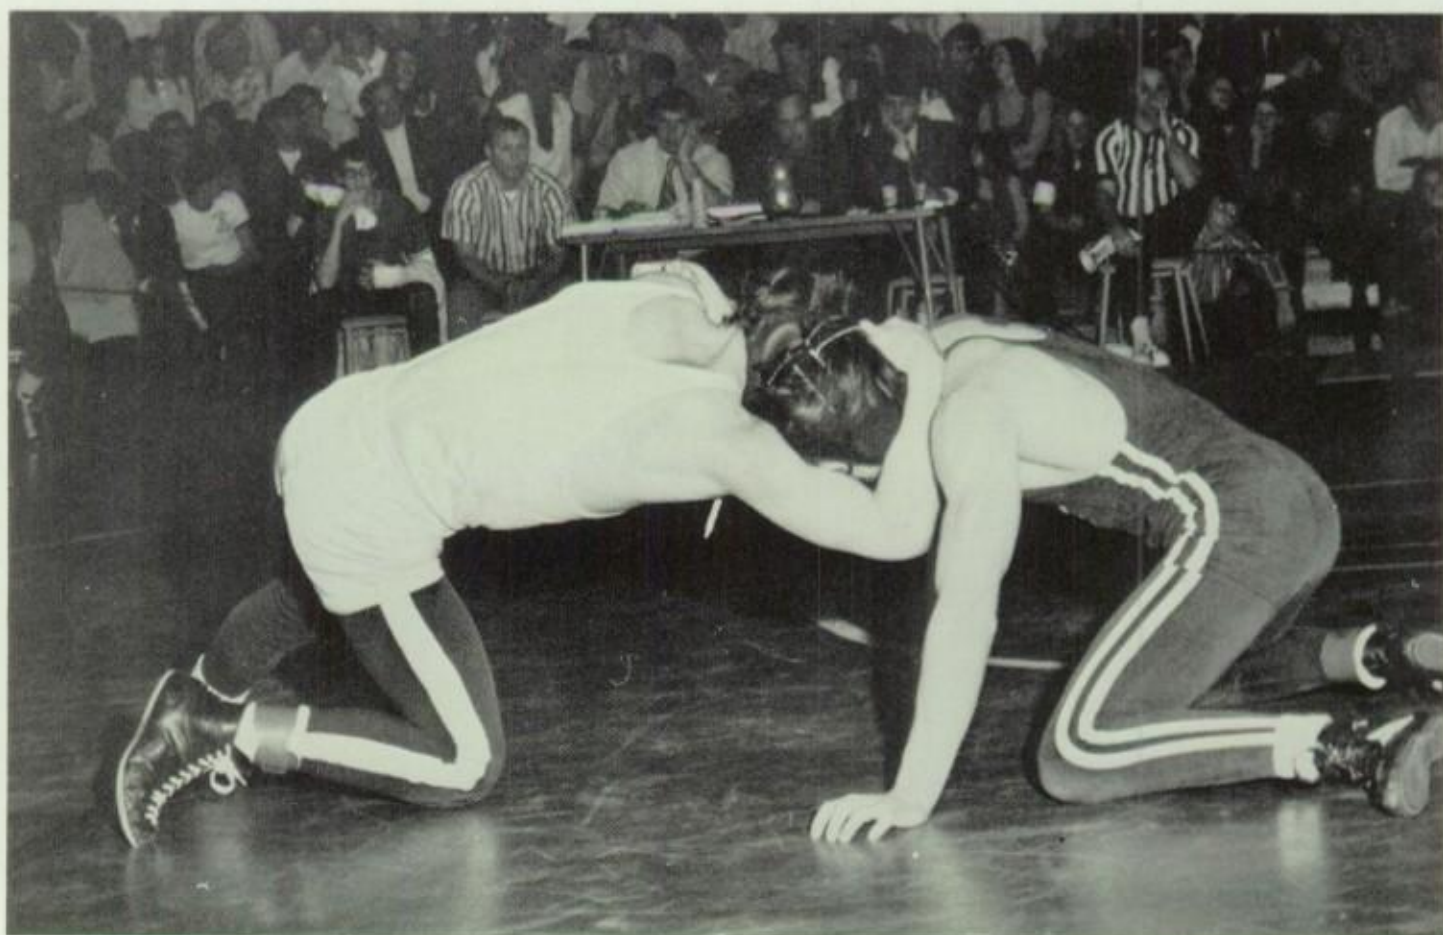

physical education

The Physical Education Department, whether the students realize it or not, is very important. Exercise helps develop the body and the mind. Aside from the routine exercises students participate in track and field, basketball, soccer, gymnastics, folk dancing, softball, and volleyball.

NOT SHOWN - Ruth Jamison (Treasurer).

student council representatives

The Student Council is not merely an organization, but can often be an effective tool to achieve what you need and deserve as students. Unfortunately, we rarely receive the thoughts and desires formulated within the students who have brought their problems to us.

Among the things we were able to act upon was an article in the Post-Dispatch to show our protest of the article's unfairness.

During the football season, Northwest spectators were accused of instigating trouble at the Northwest-Southwest game. As a result, we were to lose the use of Southwest's facilities during the basketball season. We were fortunate enough to meet with students and administrator of Southwest and overcome our misunderstanding.

Besides doing things to benefit Northwest, we have helped other organizations and individuals such as Herman Davis, The Muscular Dystrophy Fund, and Nina Nichale Strickland, the baby of the late Joyce Strickland.

Student Council President Henry Woods discusses issues brought by the students.

Cathy Wevster, Stephanie Hemphill, Jollie Harris, Alison Nash, Henry Woods Jr., Ken Clouch (Sponsor), Dana Holland, Karen Green, Susan William, Melanie Rochon. ROW 2 - Larcenia Harden, Andre Feltus, Vanessa Brady, Donna Blackman, Karen Small, Diane Robinson, Debra Steward, Linda Harvey, Louise Smith, Patti Page, Gina Harris. Joe Kimmel, acting his duty as salesclerk.

Deca students are seniors who go to classes at Northwest in the morning and work on a job either in the afternoon or in the evening hours. These students earn many hundreds of dollars each year while they still maintain their studies.

Each student receives a grade from their employer as well as credits from the academic subjects.

1. Mary Ruebbelke ringing out an order at the Red Barn.
2. Ed Pheiffer works at the bookroom at Northwest.
3. Benny Clemens fills a drink order.
4. Josephine Page and Tresa Anderson works in a diner.

ROW 5 - Mark Wheelis, Kenneth Boyd, Gary Hemphill, Ricky Washington, Kenneth Carter, Steve Banks, James Carter, James McAllister, James Dixon.

bowling club

The Northwest Bowling Club has many well developed bowlers. Some of them are Freddy Scarber, Alfred Owens, Kenny Brown, Mark Wheelis. There are even some girls such as Karla Guy, Sharon Johnson, Patricia Jones. To have a championship team you must be well balanced, some average bowlers and one clutch man. This clutch man holds a low average but in the clutch 90% of the time come thru. This describes the Champions of this league. The Champions of the League are the NOTHINGS. They consist of: Roger Irons, Alfred Owens, Freddy Scarber, Wayne Smith, Cornell Thomas. This combination has brought along the best team Northwest has ever had and will ever have for a long time. The best in the League is the Nothings.

The Northwest Bowling Club meets every Thursday. Two Banquets are held per school year. Trophys are given to the top bowlers, along with the top four teams. The Bowling Club offers the students two hours of fun and competition.

theatre guild

SEATED - Ricardo Shipps, Tresa Anderson, Mr. Knowlen, Connie Marks, Adria Willis.

ROW 1 - Willaim Nick, Melany Rochon, Wyvetter Holcolmb, Tennell Brady, Ricky Wells, Barbara Thomas, Lynetta Watkins, Andrea Pullman, Pamela Bowers, Jeanetta Stegall, Gennel Newman, Sheila Henry, Daphane Carson, Opheila Thomas, Ella Smith, Sharon High.

The Sophomore Newspaper is published at least once each semester. It features personal stories, honors won by sophomores, and comics.

Any awards that have been achieved in music, art, honor roll, or sports are reported in this fine newspaper. Future plans of students are included in the spring issue of the paper, such as special summer schools, tours that certain students will be taking, etc.

All articles or written by the students during their English classes. But students who are outstanding in other fields are reported to Mrs. Lavington so that information is included in the Sophomore Newspaper.

office co-op

ROW 1 - Rose Smith, Michele Dempsey, Ulanda Richardson, Sandra Williams, Debra Lemons, Mr. Hopen.

Plans to become a physician.

In Memoriam

Joyce Strickland

"It was the best of times" That is the way the book starts. When those words were written, we had just started a new year and didn't know what was ahead of us. Now we can look back at the good times: graduation for the seniors, the ring dance for the juniors, and the time spent with friends. But the bad times were there, too. The teachers strike put us out of school for four weeks and the violent death of one of our seniors shocked us all. All of this is in the past now and now we begin more good and bad times away from Northwest.

I would like to thank the staff of the Passage for all the hard work they did. Also, Vincent Price Studios and Taylor Publishing Co. who are really responsible for this book. Mr. Feigenblatt, the faculty, and administration deserve a special thanks. Finally, a special tribute to our inspiration and symbol - Soddy-Daisy.

K. Kruckemeyer
Editor
